

## A NEW LOAN FACTORING PROGRAM FOR MERCHANTS WHO REQUIRE AN INFLUX OF CASH FOR BUSINESS OPERATIONS.

Only available to POSaBIT Payments customers, POSaBIT Cash Advance solves a problem that companies in the cannabis industry often face: cash flow.

Whether a store needs sees an opportunity to buy desirable products in bulk, break ground on a store renovation, add staff, or upgrade their organization in any way they see fit, there are always times when an organization needs an increase in liquidity.

### HOW IT WORKS

- Merchant must be set up with POSaBIT Payments and transacting on an acceptable daily volume.
- POSaBIT and merchant agree to terms of the loan, which will be repaid over 12 months.
- POSaBIT transfers the agreed upon funds to the merchant.
- Over the term of the loan, POSaBIT will withhold a percentage of the funds from the merchant's in-store debit processing and apply the deduction from the balance of the loan.
