

POSaBIT is a well-funded FinTech startup, working exclusively within the cannabis industry. We build solutions to create new and better financial services and transaction methods for our customers. Our home base is just outside Seattle, but we are looking for candidates from all over the country that can work remotely.

Top Reasons to Work with Us

- Our target markets are growing at 25X over the next three years.
- Being part of this new industry customers need our innovative solutions, making us uniquely positioned to capitalize on a once-in-a-lifetime market opportunity.
- We have an undeniable positive impact on our customer's business, providing tremendous value and solving critical pain points.
- We offer a fun, dynamic workplace staffed by passionate individuals who are committed to achieving something special.
- Your contributions will be visible and be impactful!
- Proactivity and risk-taking are encouraged and rewarded.

Role Responsibilities

- Implementing and executing the go-to-market sales strategy for our Software as a Service products that include both a point-of-sale system as well as a payment processing platform
- Owning our sales metrics – delivering on KPIs
- Executing the sales process: lead follow up, cold calling, channel partner support and management, technology and software presentations and demonstrations, consultative selling, good CRM hygiene, etc.
- Communicating and collaborating with our founding team, directly working with our Chief Revenue Officer to build a robust funnel of opportunity, delivering accurate forecasts and meeting monthly and quarterly objectives
- Being the voice of the customer and providing unique insights about the customers in our target markets and what's most important to them, so that we can continue to deliver unique and meaningful value.

What You Need for the Position:

- At least 3 years of relevant sales experience delivering results for a software or technology company (preferably SaaS and startup experience)
- Ability to work remotely and independently
- Solution selling experience
- Superior listening and communication skills
- Ambition and the aspiration to capitalize on a unique opportunity
- You are comfortable being uncomfortable and willing to dive in to solve problems – i.e. – you get the startup life!

What's In It for You

- You get to work in a fast-growing industry experiencing rapid growth
- Opportunity to make a significant impact and be recognized for it
- Stock option plan
- Excellent benefits including – medical, dental, vision, 401k, life and disability insurances
